

OUT OF THE COLD

Benefiting HOPE 4 Youth

SAMPLE EMAIL

Dear **NAME**,

Did you know that on any given night in Minnesota, 6,000 unaccompanied youth are left out in the cold? HOPE 4 Youth, a local nonprofit providing pathways to end youth homelessness in our community, is working to change that and they need our help! **I am going *out in the cold* on **DATE** and **LOCATION** to raise awareness of the need in our community.**

HOPE 4 Youth provides many of the things that we may take for granted (a nutritious meal, food and personal care products, a hot shower, clothing and shoes, laundry facilities, and more). Additionally, HOPE 4 Youth surrounds each young person with support and guidance as they work to change the trajectory of their life.

I am inspired by the work HOPE 4 Youth does and believe, together, we can end youth homelessness in our community. Will you please help bring youth **Out of the Cold** this winter by helping me reach my goal of raising **\$\$\$\$?**

It's easy to donate online at **LINK- Runsignup or Facebook.**

Thank you for helping to bring youth ***Out of the Cold***. Your support will ensure youth experiencing homelessness are never left out in the cold again.

Warmly,
