OUT OF THE COLD

HOPE 4 YOUTH
Providing Pathways to End Youth Homelessness

WHY HOPE 4 YOUTH?

Each youth who walks through our doors brings a unique story, often shaped by various challenges they faced as a young person. We believe there is potential within every youth. Through our programs and services, youth have the opportunity to learn, grow, and develop the skills they need, not just to survive, but to thrive.

- In 2025, we served 878 youth; a 35% increase over last year.
- We provided services for 7,394 visits.
- 27% of these youth are parenting their own children
- For every dollar you donate, you will provide critical support for youth experiencing homelessness with housing, education, employment, and prevention. Supporting our Holiday Wishes shows extra care and support during a season of joy!
