

12 Days of HOPE 4 Youth: Day 6

On the sixth Day of Christmas we wanted to share an amazing story from CBS Sunday Morning with you ... <https://cbsn.ws/2CgWT0Q>. We at HOPE 4 Youth often see generosity coming from those who have the least. Out in the Cold 4 Youth was another chance for us to see people of all ages and economic statuses, take time out of their lives to go out in the cold to help our youth. We were overwhelmed to see young kids, retired people and everyone in between willing to give up what they could, and stretch those gifts. We still need to raise \$130,000 by December 31st to end the year strong. If you haven't yet been able to make a gift, you can do so easily by clicking www.hope4youthmn.org/donate. Thank you to everyone that loves our youth. We can't do what we do without you!
