Minutes:

Call to Order

• The meeting was called to order at 5:02 pm by Julie Cole.

Mission Moment (Mica Bingel)

Mica focused on the pathways of youth. She shared a story about a youth who started her journey with H4Y at the HOPE 4 Youth Center (H4YC) in June of 2022. The youth endured hardships throughout her life including unstable housing and physical abuse. In need of a safe environment, she came to H4Y. The youth got placed at Hope Place but had difficulties following the guidelines. She was asked to leave in November of 2022. She took the first opportunity to move from Hope Place, which took her to St. Cloud. The youth joined the military and later married, where she ended up in Kansas. Eventually, she found her way back to Minnesota and walked through the doors of the H4YC last Wednesday. After connecting with the Youth Coordinators, her pathway took her to Chicago. She stated that if she ever returns to Minnesota, H4Y will be there to help.

Approval of Agenda and Minutes

• **Motion** made by JJ Slay, seconded by Stephan Nash, and passed unanimously to approve the agenda and January minutes.

Board Executive Committee Update (Anna VonRueden)

- New Facility Update:
 - H4Y pulled out of the building location and cancelled the Spring Lake Park purchase agreement.
 - It was suggested that Fridley and Columbia Heights may be welcoming areas for a new H4Y Center.
 - Anna met with legislators, and they suggested Blaine may be a welcoming area for a new H4Y Center.
 - Anna made a request to the rest of the Board to share any potential locations with LaChelle.
- Youth Realities:
 - An individual that spent time at the H4YC was charged with selling drugs to a minor. If individuals in your network reach out, please let them know that H4YC and Hope Place are a drug and alcohol-free environment. H4Y has not been involved and has been compliant with the investigation.
- AN4H Board March:
 - Anna asked the Board if they would be willing to contribute a match during AN4H. Last year, the board contributed a monetary match of \$2500. The board is all in.
- Board Nomination Pastor Paul Moore:
 - Paul has been an advocate for H4Y's entire existence. He and his church community in Blaine are always the first to step up and help by sharing why the community needs help. They financially support H4Y in many ways. Most notable is Paul and his congregation hold an annual Walk/Run to raise awareness and money for H4Y. Paul's commitment to equity is a strength he brings to H4Y.

His personal values and his professional leadership are one of inclusivity not just by word but by action.

- JJ, Don and Sue expressed excitement for Pastor Paul to join the Board.
- **Motion** to vote Pastor Paul Moore onto the Board made by Linda Barnum, seconded by JJ Slay, and passed unanimously for Pastor Paul Moore to join the Board.
- Anna asked the Board to continue their recruitment efforts for new Board members.

Operations and Advancement Update (LaChelle Willaims /JJ Slag)

- Operations Update:
 - State of H4Y:
 - We are in a strong position with partnerships and meaningful engagement for all constituents – youth, volunteers, community partners, and donors. We have needed to lean into policy adherence and the fact that we have necessary policies in place has been a gift to us.
 - We have two new colleagues who joined the team this month.
 - Ann Chisnell is the new Youth Navigator and brings to HOPE 4 Youth experience with trauma informed care, harm reduction and navigating social service and school systems. This is a new position from a 5-year grant through Anoka County.
 - Bryce Jones is our new Youth Coordinator and brings with him 16 years of experience in Youth work, both professional and volunteer based.
 - Our 2024 Operations Plan is complete. It is measurable and specific. Each tactic of the plan is tied to the team's Continue Coaching Goals. After the April SSC review of the Plan Matrix, we will begin sharing our progress at each board meeting. It will demonstrate our status and current need for attention using a Red/Yellow/Green rating system.
 - Our progress for the Risk Management Plan was shared in the Board Packet. We are meeting with the Management Team tomorrow, the full team on April 10th and will bring progress to the SSC meeting on April 11th. By our May meeting, we will have a draft recap of our risks and our assessment of said risks. By the end of Q3 and into Q4 we will begin the Risk Mitigation planning. Our goal is to have everything complete and into the monitoring phase by Q2 of 2025. Next steps include labeling risk, assessing risks, and monitoring risks and actively addressing it. We will continue to be proactive and mindful of how the organization is running. Karen Anderson has joined the SSC to assist with Risk Management.
 - Advancement Update:
 - Things are moving incredibly well with the talents of our new colleagues. Abby, our Marketing and Special Events Coordinator, just finished working with us on our 2023 Impact Report. If we were meeting in-person, you would receive your own 2023 Annual Impact Report. Please share this with all you engage with! It lives on our website at About Us | Our Impact | 2023 Annual Impact Report or use this link. If you need printed copies, we will get those to you, simply let LaChelle or Nikki know.
 - We continue to understand that while people know HOPE 4 Youth, they don't necessarily KNOW HOPE 4 Youth and what we do. The first part of March we worked with a film crew to bring to life our work in a very visual way. Stay tuned for the launch of our video at A Night 4 HOPE!
 - JJ Slay reminded the Board to purchase tickets and tables to A Night 4 HOPE. He asked that Board members Invite people in their network that will engage and resonate with H4Y's mission.
 - Anna asked if the Board should purchase a table. There was conversation around this question. Stephen said he had a table that has two spots open that can be filled. Don and JJ Slay stated that Board Members should connect with other attendees at the event. Linda agreed with both JJ and Don. Krista asked for clarification if members of the Board should purchase individual tickets or a table.

Financial Report (Brooke Limanen/Don Phillips)

- Revenue and expenses were up.
- Brooke pointed to the 85% in program expenses.
- Don spoke to the reevaluation done on the value of in-kind donations. H4Y was undervaluing in-kind donations. We will set up a policy around how often to reevaluate in-kind donations.
- Brooke shared the audit timeline. The first draft came through last week. Brooke reviewed it and found some errors. The auditors will resend the updated draft

 Brooke highlighted the following dates: May 13th Abdo-presentation, 5/20 Board Meeting Approval of the Final Audit

Program Update (Mark McNamer/Mica Bingel)

- Mark reflected on how data collection has advanced and how a Data Administrator has supported that advancement.
- H4Y Center:
 - Mark highlighted the children visits (new stat in 2023), the increase in case management with youth and parenting youth.
 - Youth Receiving Case Management has made a huge jump. Mark explained this is due to a diverse team and tools provided to Youth Coordinators. Mica added this increase is also due to the changes made to the intake process.
 - Mark is anticipating the number for Housing Support will increase. He explained that Housing Support funds are strictly for youth that come into the H4Y Center. H4Y provides financial support for rent, deposit funds, etc.
 - Mark shared that staff provided input on what referrals they were giving youth. In 2023, 632 referrals were made; last year, 354 referrals were made.
 - Food, clothing, and meals provided to youth were up
 - We hope, with the new Youth Navigator position, we can increase the support we give to 16 and 17 years old.
 - Mark pointed out that the male to female ratio is down for youth coming to the H4Y Center.
 - Pat asked what multi-racial means and if the demographics have been consistent over the years. Mark answered it has not been. BIPOC has grown over the years.
 - Mark spoke to how youth heard about the services at the H4Y Center. An overwhelming number of youths said Friend/Family, followed by another agency. Next year, we plan to break up family and friends and track the school outreach piece better.
 - Mark highlighted that most youth have been in contact with H4Y for about 2 years. He believes that young people don't stay with H4Y that long because of the work the team does and all the resources they are given. LaChelle congratulated the team!
 - Don asked how we track the youth that are no longer with H4Y and measure their success.
 - Mark pointed out that most of the youth get to H4YC via car/ride (81%); there is a lack of good public transportation.
 - He also spoke to the fact that 26% of youth are living on their owe, and he was surprised 335 were temporarily staying with family/friends (at any point, they could be asked to leave); Anna asked if Youth Coordinators offer past through supports to youth staying with family/friends. Mica shared that youth can bring food back to where they are staying and H4Y provides support to hosts participating in the Host Homes program.
 - HOPE Place:
 - 22 youth served in 2023, which is down from last year. Last year, we housed 29 youth (some are duplicates).
 - Mark complimented Mica and Kelly on the wonderful job they are doing in creating a supportive space for the youth living at HOPE Place.
 - Julie asked how many youth stay at HOPE Place to get a better picture of the youth accomplishments that Mark shared.
 - Mica mentioned that it took some time to get out of the Covid mindset; Julie stated that the majority of the youth did have some sort of success in 2023 while at HP
 - Mark mentioned that a lot of youth utilizing Housing Support are parenting youth.
 - The number of youth assisted with housing stability reflects that we are meeting youth where they are at.
 - Program-wide,1500 one-on-one support was given to youth by staff and 438 youth received case management support.
 - Survey Results:
 - In 2022, we received 51 responses. In 2023, 156 survey responses from youth. The schedule of when the survey is given to youth was shared.
 - Julie and Don congratulated the team on the survey results.
 - We received 104 comments on Question 1 on the Youth Survey; a lot of responses centered around a nonjudgemental environment.

- Mark shared that 20 youth responded they received housing support
- Year Over Year:
 - There was a dip in 2020 due to Covid, but we are well beyond where we were in 2016 and 2017. We have gone up in servicing BIPOC and multi-racial youth and youth LGBTQ+ communities.
 - Decrease in the number of Anoka youth (why?); in 2022, H4Y serviced 252.
 - JJ expressed how thankful the Board is for the work staff is doing. He asked how we could increase capacity with staffing/resources/building? Mica explained we are using every inch of the H4YC and anticipates a need for more capacity as far as staffing and support staff goes. She would love to open transitional housing for parenting youth. HOPE Place is at capacity with 12 units.
 - Don wondered how we could use BIPOC measurements to gain or further funding. He's hoping to use this data to drive the Development Committee to find resources that speak to the need of the BIPOC community.

Need date 2024

Board of Directors HOPE 4 Youth, Inc. Coon Rapids, Minnesota

We have audited the financial statements of the HOPE 4 Youth, Inc. (the Organization), a Minnesota non-profit organization, as of and for the year ended December 31, 2023, and have issued our report thereon dated Need date 2024. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 1, 2023. Professional standards also require that we communicate to you the following related to our audit.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements of the Organization as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organization are described in Note 1 to the financial statements. As described in Note 1, the Organization adopted accounting policies related to the how the Organization will measure credit losses by adopting FASB Accounting Standards Update (ASU) No. 2016-13, Financial Instruments – Credit Losses (Topic 326), during the year end December 31, 2023. Accordingly, the accounting change has been applied to the current year. The Organization adopted the standard effective January 1, 2023. The application of existing policies was not changed during the year. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most significant estimates affecting the financial statements were:

- Management's estimate of the depreciation of property and equipment is based on the estimated useful life of the assets. We evaluated the key factors and assumptions used to develop the depreciation in determining that it is reasonable in relation to the financial statements taken as a whole.
- Management's estimate of the expense allocation is based on management's judgment. We evaluated the key factors and assumptions used to develop the allocation in determining that it is reasonable in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representations letter dated Need date 2024.

Management Consultations with Other Independent Accountants

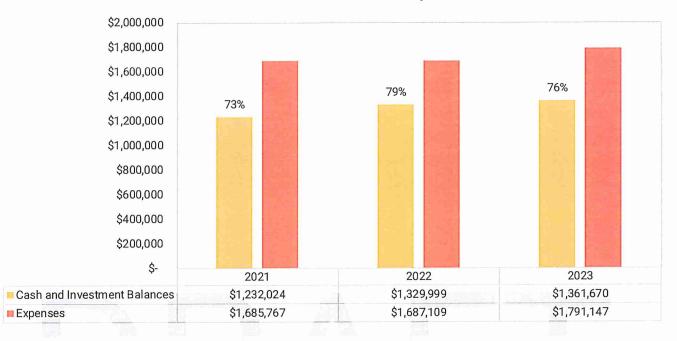

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

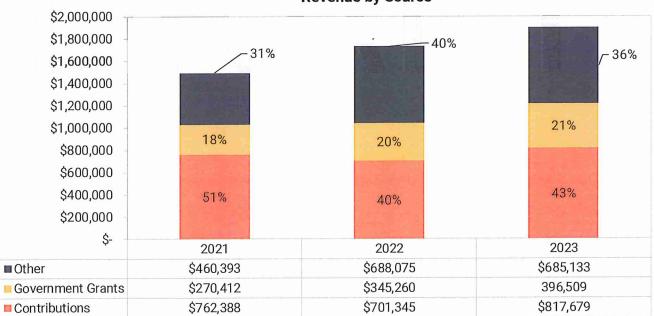

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

The following graphs track certain organizational metrics over the last three years ending December 31.

This report is intended solely for the information and use of the Board of Directors and management and is not intended to be and should not be used by anyone other than these specified parties.

Our audit would not necessarily disclose all weaknesses in the system because it was based on selected tests of the accounting records and related data. The comments and recommendations in the report are purely constructive in nature, and should be read in this context.

If you have any questions or wish to discuss any of the items contained in this letter, please feel free to contact us at your convenience. We wish to thank you for the opportunity to be of service and for the courtesy and cooperation extended to us by your staff.

INDEPENDENT AUDITOR'S REPORT

Board of Directors HOPE 4 Youth, Inc. Coon Rapids, Minnesota

Opinion

We have audited the accompanying financial statements of HOPE 4 Youth, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HOPE 4 Youth, Inc. as of December 31, 2023 and 2022, the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HOPE 4 Youth, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HOPE 4 Youth, Inc. ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 1: Summary of Significant Accounting Policies

A. Nature of Activities

HOPE 4 Youth, Inc. (the Organization or HOPE) is a not-for-profit organization, incorporated on December 13, 2012, under the laws of the State of Minnesota. The Organization provides a Resource Center for youth ages 16 to 24 who are experiencing homelessness in the north metro suburbs. At the Resource Center, youth are provided with services and resources including basic needs such as food, water, clothing, personal hygiene products, and other essential survival items (which are mainly received through donations), hot meals, laundry facilities, private showers, computer and internet access, and case management. HOPE also partners with other service providers and educators in the north metro suburbs to help provide homeless youth with housing options through their housing navigation and outreach programs that prevent and address homelessness. In addition, HOPE provides access to education and employment opportunities in partnership with the Anoka County Workforce.

Since incorporation, the Organization added additional services to homeless youth by establishing a long-term transitional living facility aimed at transitioning homeless youth to permanent affordable housing. Youth receive wrap-around services on site at the "HOPE Place," including full-time case management.

Additionally, in 2017, HOPE entered into a lease agreement to open a resale boutique store, "HOPE's Closet" in Champlin, Minnesota. Utilizing volunteers, HOPE's Closet began operating in early 2018, selling donated high-quality women's clothing and home décor. Hope's Closet closed during 2022.

B. Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor restrictions. Accordingly, net assets of HOPE 4 Youth, Inc. and related changes are classified and reported as follows:

<u>Net Assets Without Donor Restrictions (Unrestricted)</u> - Those resources over which the Board of Directors has discretionary control.

<u>Net Assets With Donor Restrictions (Restricted)</u> - Those resources subject to donor imposed restrictions which will be satisfied by actions of the Organization or passage of time or that are to be maintained permanently by the Organization. There are no net assets to be maintained permanently.

C. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

D. Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Organization considers investments with an original maturity of three months or less to be cash equivalents.

E. Investments

Investments are generally recorded at fair value based upon quoted market prices, when available, or estimates of fair value. Investment income or loss and unrealized gains or losses are included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by the donor or law. Investments consist of money market securities and mutual funds held with a broker. Investments are classified as available-for-sale investments with unrealized gains and losses recognized in the current period.

Note 1: Summary of Significant Accounting Policies (Continued)

F. Accounts Receivable

Accounts receivable consists of transitional housing rent and services provider subsidies. Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Management considers all receivables fully collectible; accordingly, no allowance for credit losses is recorded. If amounts become uncollectible, they are charged to activities when that determination is made.

G. Grants Receivable

Grants receivable consist of amounts due from government agencies or private donors, based on the terms of the related grant agreements. Management periodically reviews the status of all grants receivable for collectability. The Organization provides for losses on grants receivable using the allowance method. Grants receivable are stated as unpaid balances, less an allowance for credit losses and a present value discount. Each balance is assessed based on management's knowledge of and relationship with the government agency or the donor and the age of the receivable balance. It is the Organization's policy to charge off uncollectible grants when management determines the receivable will not be collected. As of December 31, 2023 and 2022, management determined that no allowance is necessary.

H. Pledges Receivable

Unconditional promises to give that are expected to be collected within one year are recorded as pledges receivable at net realizable value under current assets on the statement of financial position. Unconditional promises to give that are expected to be collected in periods greater than one year are recorded at the net present value of expected cash flows under other assets on the statement of financial position. The Organization provides an allowance for estimated uncollectible contributions.

Pledges receivable are stated as unpaid balances less an allowance for credit losses and a present value discount. The Organization provides for losses on pledges receivable using the allowance method. The allowance is based on experience, third-party contacts, knowledge of the donors and the industry and other circumstances, which may affect the ability of donors to meet their obligations. It is the Organization's policy to charge off uncollectible pledges when management determines the receivable will not be collected. As of December 31, 2023 and 2022, management determined that no allowance is necessary.

I. Inventory

Inventory consists of donated food and supplies, as well as gently used clothing and home goods for both youth that come to the Resource Center. The Organization values food and supplies at \$2 per pound and donated clothing at \$4 per pound at the Resource Center.

J. Property and Equipment

Property and equipment are recorded at cost or, in the case of contributed property, at fair value at the date of contribution. Expenditures for replacements, maintenance, and repairs that do not improve or extend the life of the respective assets are expensed as incurred. At the time assets are retired or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is included in the statement of activities. The Organization generally capitalizes asset purchases over \$1,000.

Note 1: Summary of Significant Accounting Policies (Continued)

Assets are depreciated using the straight-line method over the following useful lives:

| | Useful Life |
|-------------------------|----------------|
| Buildings | 39 years |
| Building Improvements | 7 - 39 years |
| Furniture and Equipment | 3 - 15 years |
| Vehicles | 7 years |
| Leasehold Improvements | 5 years |

Depreciation expense was \$44,950 and \$45,542 for the years ending December 31, 2023 and 2022, respectively.

K. Leases

The Organization determines if an arrangement is a lease at inception. If an arrangement contains a lease, the Organization performs a lease classification test to determine if the lease is an operating lease or a finance lease. Right-of-use (ROU) assets represent the right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease liabilities are recognized on the commencement date of the lease based on the present value of the future lease payments over the lease term and are included in long-term liabilities and current liabilities on the statement of financial position. ROU assets are valued at the initial measurement of the lease liability, plus any indirect costs or rent prepayments, and reduced by any lease incentives and any deferred lease payments. Operating ROU assets are recorded on the face of the statement of financial position and are amortized over the lease term. To determine the present value of lease payments on lease commencement, the Organization uses the implicit rate when readily determinable. Lease terms include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense is recognized on a straight-line basis over the life of the lease and is included within operating expenses on the statement of activities. The Organization has made the following elections related to leases:

- The Organization has elected to use a risk-free rate as the discount rate on all classes of underlying assets when an implicit rate is not readily available.
- The Organization has elected the practical expedient to account for the lease and non-lease components as a single lease component for classes of underlying assets.
- The Organization has elected to apply the short-term lease exception to all leases with a term of one year or less. Short-term leases will not be capitalized.

L. Revenue Recognition

The Organization follows the provisions of Accounting Standards Codification 606, Contracts with Customers on revenues derived from its program fees and special events.

In the case of program fees relating to Hope Place rent, revenue is recognized over the month in which the rent applies, which is over a period of time.

In the case of special events, revenue is recognized at the time the event is held, which is at a point in time.

Note 1: Summary of Significant Accounting Policies (Continued)

M. Performance Obligations

The performance obligation related to Hope Place rent, is satisfied upon completion of the month. Therefore, the Organization recognizes revenue over a period of time.

The performance obligation related to the special events, is satisfied upon the completion of the event. Therefore, the Organization recognizes revenue at a point in time.

The Organization's other revenues are explicitly excluded from the scope of ASC Topic 606 and are not recorded in accordance with that standard.

The Organization follows FASB Accounting Standards Codification 958-605, Revenue Recognition for Not-for-Profit Entities for contributions, grants, and other similar revenues. Revenue is recognized when the contribution is received, and contributions received are recorded as donor restricted support or unrestricted support depending on the existence and/or nature of any donor restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as unrestricted support.

N. Functional Expense Allocation

The Organization allocates its expenses on a functional basis among its various programs and support services. Salaries and related costs are allocated between program and supporting service categories based upon the estimated time expended by the employee on the expenditure classification. Non-salary costs are directly allocated according to the actual expense, and are reviewed annually by the Finance Committee.

O. Promotion and Advertising

Promotion and advertising costs are expensed as incurred and total \$3,592 and \$2,361 for the years ending December 31, 2023 and 2022, respectively.

P. Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Minnesota Statute 290.05. Accordingly, no provision for income taxes is included in these financial statements. Because the Organization is a public charity, contributions may qualify for tax deductions by the contributors.

Q. Fair Value of Financial Instruments

Due to their short-term nature, the carrying values of the Organization's current financial assets and liabilities approximate their fair value. The fair value of the Organization's borrowings, if recalculated based on current interest rates, would not significantly differ from the recorded amount.

R. Subsequent Events

Subsequent events have been evaluated through Need date 2024, the date of the financial statements were available for issuance.

Note 1: Summary of Significant Accounting Policies (Continued)

S. New Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments ("ASC 2016-13" or ASC 326"). Which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Organization that are subject to the guidance in FASB ASC 326 were trade accounts receivable. The Organization adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new disclosures only.

Note 2: Fair Value Measurements

Fair value measurement accounting literature establishes a fair value hierarchy based on the priority of the inputs to the valuation methodologies used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Organization has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Money Market Fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held are deemed to be actively traded.

Equities and Fixed Income Bonds: Valued at the daily closing price of the underlying stocks and bonds. The stocks and bond funds held by the Organization are deemed to be actively traded.

Treasury Bills: Valued at the daily closing price of the underlying bonds. The bond funds held by the Organization are deemed to be actively traded.

Note 2: Fair Value Measurements (Continued)

The Organization's investments reported at fair value in the accompanying statement of financial position consist of the following at December 31:

| December 31, 2023 | Level 1 | Level 2 | Level 3 | Total | |
|---|---|---------------|-------------|--------------------------|--|
| Money market fund Treasury bills | \$ 211,759 100,861 | | \$ <u>-</u> | \$ 211,759 100,861 | |

| Total Investments | \$ 186,402 | 2 \$ - | \$ - | \$ 186,402 | |

Note 3: Accounts and Grants Receivable

The Organization's accounts receivables represent rents, grants, and contributions to the Organization. Outstanding accounts receivable from various corporations, foundations, individuals, and government entities were as follows at December 31:

| | 2023 | 2022 | | |
|--|------------------------|------|-----------------|--|
| Grants receivable Accounts receivable | \$ 52,910 23,581 | \$ | 15,451 8,900 | |
| Total receivable | \$ 76,491 | \$ | 24,351 | |

Note 4: Donor Restricted Net Assets

Net assets with donor restrictions at December 31 are as follows:

| | 2023 | | | 2022 | | |
|----------------------|------|--------|----|--------|--|--|
| Ratfield scholarship | \$ | 13,621 | \$ | 15,935 | | |

Note 5: In-kind Donations

In-kind donations consist of donated materials and are measured at fair value at the date of donation. In-kind services represent services which meet the criteria specified in the accounting standards including, among other things, services requiring specialized skills and services that the Organization would typically purchase.

The Organization relies on contributions of both time and expertise from its pool of volunteers who donate thousands of hours of service, the total value of which cannot be easily calculated or estimated, yet these volunteers contribute significantly to the work, impact, and success of the Organization. These volunteer services have not been reflected in the accompanying financial statements because the volunteer services provided do not meet the criteria necessary for recognition under generally accepted accounting principles.

In-kind donations on the financial statements consist of donated goods that are recorded as revenue and measured at fair value at the date of donation. Donated goods are expensed to in-kind distributions on the Statement of Activities as of the date they are distributed to the recipient.

The components of in-kind donations consist of the following for the years ended December 31:

| | 2023 | 2022 | Usage in Programs/Activities | Donor Restriction | Fair Value Techniques |

Note 6: Leases

A. Operating Leases

The Organization has entered into several operating leases. Effective January 1, 2016, the Organization entered into a noncancelable lease for its Resource Center and administrative office space located in Anoka, Minnesota. The lease is on a month to month basis, with lease payments being re-visited and agreed upon at the end of each fiscal year. Base rent was \$4,429 per month in 2018 and will increase 3% for each subsequent renewal. Rent includes real estate taxes, utilities, and most repair and maintenance costs.

Note 6: Leases (Continued)

B. Financing Leases

Effective August 9, 2022, the Organization entered into a property lease agreement with Metro Sales, Inc. that calls for monthly base payments of approximately \$210 and is set to expire in August 2027. The stated monthly base payments are variable and may be subject to increases based on the relative increase in the Consumer Price Index, as determined annually. The agreement also provides that the Organization is responsible for the property's incurred real estate taxes, insurance premiums and attributable operating expenses. The Organization has determined that this lease is a finance lease.

The ROU lease asset and corresponding lease liability were calculated utilizing a risk-free discount rate of 2.785%, according to the Organization's elected policy. The Organization's lease agreement does not contain any material residual value guarantees or material restrictive covenants.

Additional information about the Organization's lease for the year ended December 31, 2023 is as follows:

Note 7: Concentrations

The Organization maintains cash balances with banks insured by the National Credit Union Administration (NCUA). These deposits may, from time to time, exceed the balances insured by the NCUA.

Note 8: Liquidity and Availability of Financial Assets

The Organization's revenues are primarily derived from general contributions. Additional sources of revenue include grants from private or public entities, sponsorships, and special events.

The Organization's liquid financial assets available to meet cash needs for general expenditures within one year are summarized as follows:

HOPE 4 Youth Relationship Management Protocol

Starting with the Why:

Relationship Management is all about creating a high-quality experience for our constituents. This plan allows our internal HOPE 4 Youth (H4Y) team to work as one high-functioning team with holistic goals in mind. By everyone understanding their role in the relationship, H4Y staff can efficiently and effectively execute a plan for engaging partners that is mindful of both growth and stewardship. This plan does the following:

- Defines a guided structure that leverages everyone's expertise
- Provides clear, streamlined engagement for external partners
- Keeps the organization's priorities front of mind
- Creates a collaborative internal environment that effectively supports organizational relationships

Key Priorities for All:

- Premier customer service every step of the way with our partners
- Strong stewardship to maintain lasting relationships
- Organized approach to avoid confusion for the partner
- Over-communication internally to avoid confusion among staff

Results:

The result of this work will be highly engaged long-term relationships with our external partners. By our organization being dedicated to this mindset, we will ultimately see an increase in dollars, volunteers, and number of community partner resources.

H4Y Roles and Responsibilities

A relationship with a partner in the community, whether new or existing, can follow a similar relationship management process for all H4Y partners. This allows our team to jump into action seamlessly and execute opportunities for our partners to engage in our work. By being consistent, we create better retention and customer service which ultimately drives growth in resources, volunteers, and funding.

H4Y Senior Leadership: Focus on the "Why"

Senior Leaders at H4Y play the role of strategist and executive contact in our relationship management process. Senior Leaders engage with key partners and board members through annual strategy discussions, board committees, and the stewardship and cultivation of ongoing partnership engagement.

- Lead high level conversations with key leaders and board members to build sustainable partnerships
- Works with and/or as the Relationship Manager to guide holistic strategy
- Rely on Relationship Manager to drive execution, deadlines, and stewardship of partner
- Seldom the primary contact for day-to-day operations due to functionality of engagement

Relationship Manager: Balance the "Why" and the "How"

Relationship Managers support and lead all facets of the relationship to coordinate an organization's relationship with H4Y. They should be informed of all external conversation supporting fundraising, volunteerism, and programmatic support. Relationship Managers are a "one-stop-shop" to help connect our partners regarding H4Y's mission, listening to the needs/wants of the partner, and identifying how that aligns with our work.

- Ensure partners' engagement strategy is honored through vetting with full senior leadership team
- Create and maintain a relationship plan for each account that results in program resources, volunteerism, and/or funding assets
- Develop, execute, and track plan for how the partner is engaged with H4Y throughout the year
- Work with H4Y Experts to execute specific elements of the partnership

H4Y Expert: Deliver the "How"

H4Y Experts are pros at their given area and bring the relationship strategy to life managing how partners get involved. They are responsible for executing their part of the plan with the support of the Relationship Manager, working together to implement any changes/additions as needed along the way.

- Execute the strategy in their area of expertise: programs, events, volunteers, grants, etc.
- Work with Relationship Manager to identify an organization contact to work with one-on-one
- Communicate needs, goals, expectations to Relationship Manager to help guide conversations
- Builds strong relationships with their contacts, providing additional stewardship where needed

**Support roles such as Data, Finance, and Administration do not often act as main contacts to external partners for specific events or programs and are therefore not specifically called out above. They do however play a critical role in providing resources and seamless operations that certainly benefit all external relationships.

Not every partnership relationship is currently at a fully developed stage; however, the overall framework of the H4Y Relationship Management Strategy Protocol can be implemented, leveraging senior-level guidance/connections and the Relationship Manager.

H4Y Expert

- Learns from Relationship Manager about company's areas of interest and confirms direction to engage
- Redirects Relationship Manager's conversations if goals don't align or if new opportunities may be of interest

Relationship Manager

- Works with company to finalize engagement plans based on internal conversations with the H4Y Expert(s)
- Connects H4Y Expert and organization contact for further planning/execution.

Senior Leader

- Remains updated on Relationship Manager's/partner progress and provides guidance/suggestions
