

HOPE 4 Youth April Board Update

May 1, 2024

Happy May Day!!! It has been a busy month at HOPE 4 Youth! This update will be one of planting seeds! Please share our video and document links anywhere which makes sense.

A Night 4 HOPE was a meaningful success! We exceeded our revenue goal and are waiting for final numbers to be tallied regarding our expenses. We believe we are very close to our net goal. THANK YOU to each of you in whatever way you were able to support us. Magic was real on April 20th! SAVE THE DATE for our 2025 event on May 3rd!

Please see the [video](#) we shared at the gala. We are honored to share an updated depiction of who we are and how we serve the youth we support.

Please see our [events calendar](#) for the remainder of the year. Join us when you can!

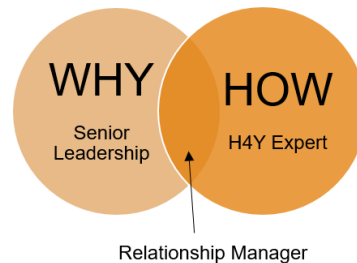

We always share with the community; *we can only do what we do because of the partners who come beside us*. On a rainy April Friday, our new friends at **Task Masters Landscaping** came beside HOPE 4 Youth in a big way. We have a newly landscaped outdoor area for our youth to enjoy. They added plants, flowers, pavers, mulch, and so much more!

Now you really need to come for a tour at HOPE Place to see all the updates our generous partners from Heartland Tire Foundation, HOM Furniture, and now Task Masters have bestowed on HOPE 4 Youth! We are so thankful!

Finally, a push into being smarter and **better partners and advocates** of our Mission. We are in the process of developing our Relationship Management Protocol. We are growing at a pace over the last two years that has now challenged the "way we have always done things". We are seeing a need to provide greater definition of how we partner, with whom we partner, and how to build a premier experience with all those we more defined process for our team partner with. We will launch a senior leadership team, our HOPE 4 incorporating clear roles of our Youth experts, and those we designate our Relationship Managers.

BRINGING STRATEGY TO IMPLEMENTATION

We are excited to launch this in momentum we believe this will

Here is to always seeking process improvement, mission advancements, and financial solvency allowing us to grow and meet the needs of our community youth experiencing homelessness. Youth Homelessness is UNACCEPTABLE!

May and are looking forward to the provide for our overall team.

See you on May 20th for our board meeting.
