## HOPE 4 Youth July Board Update

August 1, 2024

Happy August!!! Wow what a month of momentum, events, and youth success! Thanks for your leadership on committees and community cultivation. We welcomed Steven Cade, country artist for a mini concert for our youth and received a signed guitar in July. RealityONE's golf event benefiting H4Y was a wonderful success – we will receive their event donation on 8.7. We held our annual HOPE 4 Youth Center BBQ and graduation celebration on July 31<sup>st</sup>. Arrow Giving Foundation served dinner while Compassion Church hosted karaoke for the youth; the talent we heard was powerful. The socialization of our mission in creative ways allows us to enrich our resources and partner list while creating new experiences for the youth we serve. Here are a couple plugs for upcoming events:
